**IMPORTANT INFORMATION!**  
All Users

**ATTENTION MILITARY DEPENDENTS, RETIREES AND DEPENDENTS:**  
The preferred method to create a DS Logon account is to use the email registration function by selecting "Email Registration" when prompted. An email with activation code will be sent to the unique email address on file with instructions. Before using this option, all email addresses for all family members (e.g., sponsor, spouse, and children) must be unique and cannot be a duplicate with any family member. Go to the "Need Support" button to review the steps.

**REQUIRED:** Effective April 1, 2023, you are required to sign in at least once every 180 days (6 months) to prevent your account from being deactivated.

**ADDITIONAL INFORMATION NEEDED:**  
Click the "Need Support?" button on the bottom right of this page and download a copy of the Support Documentation for additional information regarding account creation by user type, remote proofing requirements, and how-to.

**VA.GOV KNOWN ISSUE:**  
There is a known issue with DS Logon and VA.GOV. In order for users to access VA.GOV, use a non-Government issued computer. If you are still having issues, there are alternative credentials you can use to access VA.GOV, DMDC and VA are actively working the item.

**PROTECT YOUR PRIVATE INFORMATION:**  
After visiting DS Logon or one of our partner sites, CLOSE your browser window AND all open tabs to protect your information and privacy. If you choose not to close your browser and all open tabs, you are risking your information being able to be viewed.

## Welcome

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only. By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.
